**CONDITION**

Customer would like to transfer XM Satellite Radio Service from one vehicle to another. Both vehicles must have a XM receiver and/or XM embedded audio unit.

**RECOMMENDATIONS**

Prior to calling XM Satellite Radio you must have the following information:

- 1) Dealer Name
- 2) Customer Name
- 3) Customer Address
- 4) Current RID (Radio ID)
- 5) New RID (Radio ID)
- 6) Warranty or Non-Warranty

To access the RID (Radio ID) select Chanel "0".

The following is a **DEALER ONLY** contact number.

Call XM Satellite Radio 888 465-8528 and provide information 1 – 5 to XM support staff. It takes approximately 5 minutes for XM to operate once XM sends the signal to the new receiver.
